

KTCN COLLECTION

Katharina Tinnacher

Christoph Neumeister

Partners in life and in passion, Katharina and Christoph each lead one of Austria's top wineries — Katharina at Weingut LacknerTinnacher in Südsteiermark, Christoph at Weingut Neumeister in Vulkanland Steiermark. Sharing a commitment to organic viticulture, craftsmanship, and respect for nature, they combine their expertise to create colorful wines with complex aromas, natural freshness and unique taste.

PERSIFLAGE

A handcrafted Chardonnay, born from the unique fusion of two one-of-a-kind Morillons from Südsteiermark and Vulkanland Steiermark. *Persiflage* asks: What happens when you don't care about the essence of terroir?

A playful rebellion

A co-creation by Katharina Tinnacher and Christoph Neumeister. *Persiflage* is both homage and irony — a wink to the great Chardonnays of the world, yet reimagined in a unpretentious way. The grapes come from two top sites: Moarfeitl and Flamborg. Here, the warmth and deep soils of the Vulkanland meet the tension and cool breezes of the Südsteiermark. The result is a Chardonnay with depth and structure, yet full of vibrancy and precision.

Picked by hand, guided by Instinct

Grapes are hand-harvested. Spontaneous fermentation and complete malolactic fermentation occur in neutral 500L oak barrels. The wine matures for 12 months on full lees, untouched, no bâtonnage. Bottled without fining or filtration.

A Chardonnay that doesn't care what you expect

Bright, textural, and layered — with aromas of stone fruit, lemon peel, subtle nuttiness, and flinty minerality. On the palate, creamy yet taut, salty, long, and slightly oxidative in the best way. It challenges expectations while remaining utterly drinkable.

Facts

Vintage 2023 available from November 2025

Limited production: 600 btls.

organic wine, AT-BIO-402

13 % Vol., dry

0,75 L Bouteille with natural cork
